

Our Services

Assistive Technologies

We offer a range of devices and systems which are designed to help you be more independent in your everyday living.

Service/Repair

With an enviable reputation for excellent after sales service within the mobility marketplace, notably with service users and their carers in the private and public sectors, we operate a 24 hour/365-day repair service.

Quality and Service You Can Rely On

Independent mobility specialists

Quality & service you can rely on

Our Range of Products

Hoists

Since 2000, we have expertly fitted hoisting systems in domestic and commercial environments.

Through Floor Lifts

Designed for safety, flexibility and greater independence, we supply, install and maintain the Wessex range of VM Through Floor Home Lifts.

Fridge Locks

Sole UK distributor of the LockitDown™ Refrigerator Door Lock. Easy to install, no drilling required. Safe keeping of food, medicines and dangerous substances.

Stairlifts

We've hand-picked an exclusive range of manufacturers who meet the quality market standards of proven reliability, value for money, and visual appeal.

Step Lifts

Manufactured in the UK, we supply, install and maintain the innovative Wessex range of step lifts.

Ramps

Offering a reliable, durable and extensive range of portable and modular ramping solutions to meet the needs of our customers.
